Other Provisions

Gas Lights:

Where nonresidential customers installed a gas light(s) for continuous street or outdoor lighting, in lighting devices approved by the Company and the Company elects not to meter such deliveries, and the gas used by such light(s) is unmetered, the gas consumed by such light(s) shall be assumed to be two thousand feet (2,000) per month when the Btu/hr. input rating for each light(s) is 2,700 or less. For each additional 1,350 Btu/hr. or fraction thereof the assumed consumption shall be increased by one thousand cubic feet (1,000) per month. Such assumed consumption will be billed under the rates contained herein or if in combination with metered usage under this Rate Schedule, will be added to the Customer's metered usage and the total billed under the above schedule of monthly rates.
